Dear Shri Raaja Kanwar,

I write to convey my thanks to you and your team for screening the movie 'Lageraho Munnabhai' last week. I and my family members enjoyed the movie transmitted through digital technology. I understand that this technology is highly cost effective vis-a-vis existing systems, ensures zero piracy and also provides easy and fast access to entertainment even in the remotest regions of the country, thereby expanding the reach of high quality cinema.

I am sure digital technology will play a vital role in promoting cinema and visual arts in the country. My best wishes to you and your team at UFO India Pvt. Ltd.

With regards,

Yours sincerely,

(Manmohan Singh)
