

Company Profile

Rooted in the sound corporate principles of a brand as reputed as the Apollo Group, Apollo International Ltd (AIL) is a truly global enterprise, a '**Global Growth Company**' recognized by the World Economic Forum. Inspired by the vision of 'Nurturing Entrepreneurs through Partnerships,' it takes forward the core values of 'Dependability and Trustworthiness' that have always propelled this leading Indian corporate to exemplary success.

A front runner since its inception in 1975, the Apollo Group entered its global phase in 1994 as it launched AIL with the dual goals of internationalizing its core business and diversification. Powered by the dynamic leadership of Vice Chairman and Managing Director, Raaja Kanwar, AIL has consistently achieved both.

Today, AIL have its network in countries like USA, Europe, Africa, Middle East and South East Asia. The achievements of AIL's business verticals and group companies in the diverse fields of Integrated Logistics (Apollo LogiSolutions Ltd.), Digital Cinema (UFO Moviez), Distribution and Marketing of Tyres (Tyre Tech Global), International Business Products, Equipment and Projects (IBD) and Leather Garments and Accessories (Tag Fashions) are testimony to the robust practices, business acumen and professionalism that are synonymous with brand Apollo.

The fast growing Apollo LogiSolutions Ltd (ALS), the logistics division of the group, is emerging as a leading integrated logistics solutions provider in India and worldwide. In a short span of time, the company has established two international joint ventures and acquired a Chennai based logistics company. UFO Moviez is the world's largest ever networked digital cinema chain which has revolutionized film distribution and exhibition in India since 2005. Tyre Tech Global (TTG) offers an exhaustive range of products to more than 70 countries. AIL's International Business Division (IBD) is engaged in providing latest technology driven products & equipment to developing countries and undertaking their infrastructural projects.

And, Tag Fashions, the leather division of AIL not only designs and manufactures top of the line leather garments & accessories, but also has the ability to forecast global trends.

Over the years, the company has worked harmoniously with entrepreneurs and become one of the fastest growing companies in India. In consonance with the Apollo Group's Founder Onkar Kanwar's mission of creating 'corporate strength and an environment conducive to growth for all, this forward looking yet well-grounded business group is all set to expand, turning opportunity into prosperity for all its stakeholders, partners, clients and society.
